Find some of these items around your home and try dipping them in bubble solution and using them to blow bubbles. Circle the ones that work the best!

- string tied in a loop
- milk carton (cut both ends off)
- a straw
- a cookie cutter
- a wire coat hanger (bend it into a fun shape)
- a paperclip

Can you find other items that might be good bubble makers? Try them out and then draw pictures to show what you used.
