

Instructions for Safety Scalpel Blade Remover Box DE-SCASAFE

Step 1: Orient the scalpel blade like the image on the top of the scalpel blade remover box shows.

Step 2: Insert the scalpel blade fully into the slot at the top on the box.

Step 3: Hold down on the tab on top of the box to disengage the blade from the scalpel handle.

Step 4: Pull out the scalpel handle, leaving the blade inside the box.

Step 5: Dispose of the scalpel blade removal box when it is full. Capacity is about 80 blades.
