

Purchasing Made Easy

Simplify Purchasing with Home Science Tools' K12 eProcurement Site

Home Science Tools' K12 eProcurement Site streamlines the ordering process for educational institutions, ensuring efficiency, accuracy, transparency, and convenience. With features designed to accommodate the unique needs of schools, managing science supply purchases has never been easier.

Key Benefits

Easy Account Management

Set up multiple users with different permissions to easily create, review, and approve orders.

Seamless Quoting & Ordering

Quickly generate and submit quotes, convert them into orders, and track progress.

Flexible Payment Options

Pay via credit card or purchase order (for accounts approved for credit).

Invoice Management

View, track, and pay open invoices in one place.

Time-Saving Automation

Reduce paperwork and the need to wait for our team to respond.

Customized Shopping Experience

Save favorite products, favorite and frequent orders to enable quick reordering.

Why Choose Home Science Tools' eProcurement System?

Efficiency – Minimize administrative burden with an intuitive digital process.

Accuracy – Reduce errors in ordering and approvals with a structured workflow.

Transparency – Gain full visibility into spending and order history.

Convenience – Manage all purchases anytime, anywhere, with our user-friendly platform.

Tips for Success

Ready to streamline your district's ordering process? Reach out to the HST Customer Care team to initiate set up so we can make sure your needs are met from day one.

While coupon codes and promotions are not valid, we're always happy to work with you to make sure we're providing the best fit for your science needs!

If it's time to get creative or customize our products to your program, our Customer Care team can connect you to our K12 Sales professionals.
