

# Fall Leaves

Here is a picture of the tree:

(Glue a photo or draw a picture)

Here is a sample of a leaf from this tree:

(Press the leaf between sheets of newspaper and heavy books, then glue it here when it is dry.)

Date:

Notes about the tree:

Where is the tree located?

What colors are the leaves?

Have leaves started to fall from this tree yet?

Did you see any animals in or near the tree?

Draw a picture of animals, seeds, or other things you saw near the tree:

Here is a rubbing of a leaf from this tree:

(Put the leaf under this paper and rub over it firmly with the long side of a crayon.)
